## INFORMATION LETTER

about

### **IV International Conference on Advanced Technologies in Aerospace, Mechanical and Automation Engineering – MIST: Aerospace-IV 2021**

(Krasnoyarsk, Russia, December 10-11, 2021)

International and Russian Union of Scientific and Engineering Associations, Krasnoyarsk Regional Union of Scientific and Engineering Associations, Krasnoyarsk Science and Technology City Hall are organizing IV International Scientific Conference “Advanced Technologies in Aerospace, Mechanical and Automation Engineering” - “MIST: Aerospace-IV 2021”. The Conference will take place in Krasnoyarsk in December 10-11, 2021.

We invite scientists and specialists from Russian and foreign universities, academic institutes, enterprises, design and research centers to take part in the Conference.

**The purpose of the Conference** is to share the experience of leading experts in the application of advanced science-intensive and information technologies in the aerospace industry, mechanical engineering and automation of technological processes and production.

The work of the Conference is planned in the following directions:

- Aerospace Technologies and Industrial Production;
- Reliability and Data Protection in Automation Systems;
- Cybernetics, Automation and Information Technologies;
- Energy, Chemical and Ecological Engineering.

Within the framework of the conference, the AMS-Workshop-III will be held: “Advances in Materials Sciences and Mechanical Engineering - 2021”.

The Conference will take place face-to-face and virtually in December 10-11, 2021 in Krasnoyarsk Science and Technology City Hall of the Russian Union of Scientific and Engineering Associations.

**MIST: Aerospace–IV 2021** <https://conf.domnit.ru/en/conferences/aerospace-2021/>

**For conference participants who have submitted papers, a mandatory form of participation is a report at the conference, a video presentation or a presentation on the website (E-presentation - from 3-7 slides made in free form in pdf / ppt format, the template can be downloaded on the conference website). Video reports and presentations of the participants will be displayed on the workshop website in the "Conference Materials" section.**

One can register for the Conference on-line on the web-site of the Conference (<https://conf.domnit.ru/en/conferences/aerospace-2021/>). The registration is open till December 05, 2020.

### **Proceedings of the Conference**

The Proceedings of the Conference in the form of full papers in the English language will be published in IOP Conference Series: Materials Science and Engineering (MSE), indexed by Web of Science and Scopus. The papers should meet the requirements of the Journal (the requirements and the template can be found on the Conference web-site <https://conf.domnit.ru/en/conferences/aerospace-2021/>).

The official languages of the Conference are Russian and English. The Organizers will provide professional interpretation if required.

### **Conference Venue**

The Conference will take place in Krasnoyarsk Science and Technology City Hall: 61 Uritskogo Street, Krasnoyarsk, Russia.

We will provide the participants with visa support documents (an official letter of invitation). We will be glad to help with accommodation in cozy and hospitable hotels of Krasnoyarsk at special prices to all participants during the conference by priority arrangement. Accommodation and travel expenses are paid by sending organizations.

### **Registration Fee**

Participation in the Conference is free. The registration fee for the publication is 250 EURO. The fee is paid after the notice about acceptance of the paper but not later than December 10, 2021.

### **Contact Details**

Please forward all the questions concerning the participation and the programme to the executive secretary:
