about

IV International Conference on Agribusiness, Environmental Engineering and Biotechnologies - AGRITECH IV - 2020

(Krasnoyarsk, November 19-21, 2020)

International and Russian Union of Scientific and Engineering Associations, Krasnoyarsk Regional Union of Scientific and Engineering Associations, Krasnoyarsk Science and Technology City Hall and Krasnoyarsk State Agrarian University are organizing 4th International Conference on Agribusiness, Environmental Engineering and Biotechnologies - AGRITECH IV - 2020. The Conference will take place in Krasnoyarsk in November 19-21, 2020.

We invite scientists, post-graduates and research teams as well as representatives of the enterprises working in Agribusiness, Environmental Engineering and Biotechnologies to participate in the Conference.

The purpose of the conference is the exchange of experience of leading experts in the field of high-tech chemical, biological and information technologies in agriculture and agribusiness, in the fields of energy, chemical and oil and gas engineering, in the field of environmental management and environmental engineering, mining and soil processing technologies, as well as in modern areas of biodiversity research and methods for its conservation.

The work of the conference is planned in the following directions:

- Agribusiness, Economics and Organization of Agritech Engineering
- Information Technologies, Automation Engineering and Digitization of Agriculture
- Biological Technologies in Agriculture: from Molecules to Ecosystems
- Environmental Engineering and Management, Mining and Soil Treatment Technology
- Chemical, Ecological, Oil and Gas Engineering
- Biodiversity and Ecosystem Stability
- Innovative Development of Agri-Food Technology

AGRITECH

Agribusiness, Environmental
Engineering and Biotechnologies

For non-resident participants, graduate students and young scientists, participation with an online presentation is available (E-presentation - from 3 to 5 slides - are issued in free form in pdf / ppt format, the template can be downloaded on the conference website).

Digital presentations of participants will be exhibited on the conference website in the Conference Materials section, and will be broadcast during the conference on multimedia screens in the lobby and in the hall non-stop.

One can register for the Conference on-line on the web-site of the Conference <http://www.conf.domnit.ru/en/conferences/agritech-4-en/>. The registration is open till 16 November, 2020.

Proceedings of the workshop

The Proceedings of the Workshop in the form of full papers in the English language will be published in IOP Conference Series: Earth and Environmental Science (EES), indexed by web of Science and Scopus. The papers should meet the requirements of the Journal.

The official languages of the Workshop are Russian and English. The Organizers will provide professional interpretation.

Registration fee

Participation in the Conference is free. The registration fee for the publication in IOP Conference Series: Earth and Environmental Science (EES), indexed by Web of Science and Scopus, is 250 EURO. The fee is paid after the notice about acceptance of the paper but not later than November 21, 2020.

Conference venue

The Conference will take place in Krasnoyarsk Science and Technology City Hall and Krasnoyarsk State Agrarian University.

The address is: 61, Uritskogo Street, Krasnoyarsk, 660049, Russia.

Contact details

Please forward all the questions concerning the participation and the programme of the Conference to the executive secretary of the Workshop:
