## INFORMATION LETTER

about

### **XV International Conference on Transport Infrastructure: Territory Development and Sustainability (TITDS-XV-2024)**

*(Bukhara, Uzbekistan, 29-31 October 2024)*

**XV International Scientific Conference on Transport Infrastructure: Territory Development and Sustainability (TITDS-XV-2024) will take place in Bukhara Engineering-Technological Institute (Bukhara, Uzbekistan) on 29-31 October 2024.**

The Turin Polytechnic University in Tashkent, Ulaanbaatar Railway (Mongolia), East China Jiaotong University (China), Seoul National University of Science and Technology (South Korea), West Media Express Ltd (Uzbekistan), Namangan Engineering-Technological Institute (Uzbekistan), K.R. Mangalam University (Gurugram, India), Belarussian State University of Transport (Gomel, Belarus), Tashkent State Transport University (Uzbekistan) and Belarusian-Russian University (Mogilev, Belarus) are partner organizations and universities of the Conference.

We invite scientists, specialists and research teams as well as representatives of the enterprises working in the spheres of transport infrastructure development for sustainable development of territories to participate in the Conference.

**The purpose of the Conference** is to share the experience of leading experts in the application of innovative technologies, mathematical methods and information management systems in transport logistics, technosphere and environmental safety, traffic support systems, transport electric power industry design, construction and operation of railway tracks and artificial structures as well as in legal, historical, socio-cultural and psychological aspects of transport development.

**The work of the Conference is planned in the following directions:**

- Transport Logistics and Cooperation of Transport Market Participants
- Technosphere and Environmental Safety
- Railway Transport and Railway Management Systems
- Information Technologies and Big Data in Transport
- Design, Construction and Operation of Railway Tracks and Artificial Structures
- Transport Energy Efficiency and Power Industry
- Economics and Management of Transport
- Natural-Scientific Foundations of Modern Technologies in Transport

- Legal, Historical, Socio-Cultural and Psychological Aspects of Transport Development
- Urgent Problems of Water/Maritime Transport in the Region

The Conference will take place both face-to-face and virtually on 29-31 October 2024 in Bukhara (Uzbekistan).

All conference papers accepted to the Conference will be presented in one of the formats (face-to-face scientific sessions, virtual sessions in Zoom, pre-recorded video-reports, or E-poster presentations).

One can register for the Conference on-line on the web-site of the Conference (<https://conf.domnit.ru/en/conferences/titds-2024/>).

### **Proceedings of the Conference**

The best papers in the English language will be chosen after peer-review to be included into the Proceedings of the Conference. **The Proceedings will be published in AIP Conference Proceedings as a Special Edition Section in the Volume of CamSTECH -2024 Conference.**

The papers should meet the requirements to the scientific publication.

The official languages of the Conference are English and Uzbek. The Organizers will provide professional interpretation if required.

### **Conference Venue**

The Conference will take place in Bukhara Engineering-Technological Institute (Bukhara, Uzbekistan).

We will provide the participants with visa support documents (an official letter of invitation). We will be glad to help with accommodation in cozy and hospitable hotels of Bukhara at special prices to all participants during the conference by priory arrangement. Accommodation and travel expenses are paid by sending organizations.

### **Registration Fee**

The registration fee for participation is 210 / 240 USD.

### **Contact Details**

Please forward all the questions concerning the participation and the programme to the executive secretary:
