VII International Conference on Advanced Agritechnologies, Environmental Engineering and Sustainable Development – AGRITECH-VII - 2022

(Krasnoyarsk, 16-18 June 2022)

The VII International Conference on Advanced Agritechnologies, Environmental Engineering and Sustainable Development - AGRITECH VII – 2022 will be organized by the International and Russian Union of Scientific and Engineering Associations (Moscow, Russia), Krasnoyarsk Science and Technology City Hall, Siberian Scientific Centre DNIT and Krasnoyarsk State Agrarian University (Krasnoyarsk, Russia) on 16-18 June 2022.

Volga Region Research Institute of Manufacture and Processing of Meat-And-Milk Production (Volgograd, Russia), Ufa State Petroleum Technological University (Ufa, Republic of Bashkortostan, Russia), Bukhara Engineering Technological Institute (Bukhara, Uzbekistan), Namangan Engineering Technological Institute (Namangan, Bukhara), Krasnoyarsk Research Institute of Agriculture of Krasnoyarsk Science Center of the Siberian Branch of the Russian Academy of Sciences are official partners of the Conference.

We invite scientists, post-graduates and research teams as well as representatives of the enterprises working in agritechnologies, food technologies, environmental engineering for sustainable development of the modern society to participate in the Conference.

The purpose of the conference is the exchange of experience of leading experts in the field of high-tech geochemical, geological, geophysical and information technologies in agriculture; energy, oil and gas engineering; environmental management and engineering, mining and soil processing technologies, as well as in modern areas of biodiversity research and methods for its conservation for sustainable development; the influence of food production on the environment and sustainable systems of food technologies; agroforestry, environmental safety, green technologies and natural resources.

The work of the conference is planned in the following directions:

- Agritechnologies, Agritech Engineering, Policy and Law for Sustainable Environmental Health
- Innovative Development of Sustainable Systems of Agrarian-and-Food Production
- Information Technologies, Automation Engineering and Digitization of Agriculture
- Environmental Engineering, Mining and Soil Treatment Technology
- Environmental Safety, Risk Assessment and Management in Oil and Gas Industry
- Green Technologies, Climate Change and Environmental Pollution
- Chemical, Ecological, Oil-and-Gas Engineering and Natural Resources
- Agricultural Mechanization, Civil Engineering and Energetics
- Biodiversity and Ecosystem Stability for Sustaining the Natural Area
- Agroforestry and Digitalization of the Forest Technology

All conference papers accepted to the Conference will be presented in one of the formats (face-to-face scientific sessions, virtual sessions in Zoom, pre-recorded video-reports, or E-poster presentations).

For non-resident participants, graduate students and young scientists, participation with an online presentation is available (E-presentation - from 3 to 5 slides - are issued in free form in pdf / ppt format, the template can be downloaded on the conference website).

One can register for the Conference on-line on the web-site of the Conference <https://conf.domnit.ru/en/conferences/agritech6-2021/>. The registration is open till 15 June 2022.

Proceedings of the Conference

The Proceedings of the Conference in the form of full papers in the English language will be published in IOP Conference Series: Earth and Environmental Science (WoS (CPCI-S)/SCOPUS/EI Compendex/IET (Inspec)/Google Scholar indexed Conference Proceedings). The papers should meet the requirements of the Journal.

The official languages of the Conference are Russian and English. The Organizers will provide professional interpretation.

Conference venue

The scientific sessions of the Conference will take place in Krasnoyarsk (Krasnoyarsk Science and Technology City Hall and Krasnoyarsk State Agrarian University) in cooperation with partners from Volgograd, Ufa and Bukhara.

Accommodation for the Conference participants can be provided with reservation from the Organization Committee in the hotel system of Krasnoyarsk by priority arrangement. Accommodation and travel expenses are paid by sending organizations.

Preliminary Conference Program

16 June 2022 – Arrival, registration of participants

17-18 June 2022 – Plenary session in Krasnoyarsk State Agrarian University (Russia)

Parallel scientific sessions (oral and e-poster presentations)

Videoreports of the participants, discussions

18 June 2022 – Culture program, departure of participants

Registration fee

The registration fee is 220 EURO. The fee is paid after the notice about acceptance of the paper but not later than 16 June 2022.

Contact details

Please forward all the questions concerning the participation and the programme of the Conference to the executive secretary of the Conference: Anna Voroshilova Tel. +7 391 227 84 84, +7 999 3183334
