V International Conference on Advanced Technologies in Aerospace, Mechanical and Automation Engineering – MIST: Aerospace-V 2023

(Krasnoyarsk, Russia, 3-5 May 2023)

International Union of Scientific and Engineering Associations, Krasnoyarsk Science and Technology City Hall are organizing V International Conference on Advanced Technologies in Aerospace, Mechanical and Automation Engineering - MIST: Aerospace-V 2023. The Conference will take place in Krasnoyarsk on 3-5 May 2023.

We invite scientists and specialists from Russian and foreign universities, academic institutes, enterprises, design and research centers to take part in the Conference.

The purpose of the Conference is to share the experience of leading experts in the application of advanced science-intensive and information technologies in the aerospace industry, mechanical engineering and automation of technological processes and production.

The work of the Conference is planned in the following directions:

- Aerospace Technologies and Industrial Production;
- Reliability and Data Protection in Automation Systems;
- Cybernetics, Automation and Information Technologies;
- Energy, Chemical and Ecological Engineering.

The Conference will take place face-to-face and virtually on 3-5 March 2023 in Krasnoyarsk Science and Technology City Hall of the Russian Union of Scientific and Engineering Associations.

For conference participants who have submitted papers, a mandatory form of participation is a report at the conference, a video presentation or a presentation on the website (E-presentation - from 3-7 slides made in free form in pdf / ppt format, the template can be downloaded on the conference website). Video reports and presentations of the participants will be displayed on the workshop website in the "Conference Materials" section.

Registration for the Conference and paper submission is available on-line on the web-site of the Conference (<https://conf.domnit.ru/en/conferences/mist-2023/>). The registration is open till March 2023.

Proceedings of the Conference

All accepted papers of MIST: Aerospace-V 2023 will be published in Conference Proceedings, which will be submitted for indexing in Scopus, CPCI (ISTP), CNKI, Google Scholar and Inspec (IET).

The papers must be written in English and should adhere to the paper template. All the papers will be peer reviewed by 2 experts. It takes 5-10 working days for the result coming out. If the paper needs revising, it should be resubmitted for peer review again.

The official languages of the Conference are Russian and English. The Organizers will provide professional interpretation if required.

Conference Venue

The Conference will take place in Krasnoyarsk Science and Technology City Hall: 61 Uritskogo Street, Krasnoyarsk, Russia.

We will provide the participants with visa support documents (an official letter of invitation). We will be glad to help with accommodation in cozy and hospitable hotels of Krasnoyarsk at special prices to all participants during the conference by priority arrangement. Accommodation and travel expenses are paid by sending organizations.

Registration Fee

Participation in the Conference is free. The registration fee for the publication is 250 USD. The fee is paid after the notice about acceptance of the paper.
