about

**International Workshop**

**«Advanced Technologies in Aerospace, Mechanical and Automation Engineering» -  
“MIST: Aerospace”**

(Krasnoyarsk, Russia, October 20, 2018)

within the framework of

**IX International Multidisciplinary Scientific and Research Conference**

**"Modern Issues in Science and Technology"**

(Sochi, Russia, October 20-28, 2018)

International and Russian Union of Scientific and Engineering Associations, Krasnoyarsk Regional Union of Scientific and Engineering Associations, Krasnoyarsk Science and Technology City Hall are organizing an International Scientific Workshop «Advanced Technologies in Aerospace, Mechanical and Automation Engineering» - “MIST: Aerospace”. The workshop will take place in Krasnoyarsk in October 20, 2018 within the framework of IX International Multidisciplinary Scientific and Research Conference "Modern Issues in Science and Technology", which will take place in Sochi in October 20-28, 2018.

We invite scientists, post-graduates and research teams as well as representatives of the enterprises working in the sphere aerospace and mechanical engineering to participate in the Workshop.

**The purpose of the Workshop** is to share the results and prospects of the achievements in using advanced scientific, innovative and information technologies in aerospace industry, mechanical engineering and automation.

**The work of the Workshop is planned in the following directions:**

- Aerospace Technologies;
- Mechanical Engineering and Industry;
- Data Protection in Automation Systems;
- Cybernetics, Automation and Information Technologies;
- Ecology and Ecological Engineering;
- Power Engineering.

The Workshop will take place in October 20, 2018 in Krasnoyarsk Science and Technology City Hall of the Russian Union of Scientific and Engineering Associations. In case of inability to attend the Workshop in person, in absentia presentation is allowed. One can register for the Workshop

on-line on the web-site of the Workshop ([www.domnit.ru/conference/](http://www.domnit.ru/conference/)). The registration is open from July 12, 2018 till October 10, 2018.

## **PROCEEDINGS OF THE WORKSHOP**

The Proceedings of the Workshop in the form of full papers in the English language will be published in IOP Conference Series: Materials Science and Engineering (MSE), indexed by web of Science and Scopus. The papers should meet the requirements of the Journal (the requirements and the template can be found on the web-site [www.domnit.ru/conference/](http://www.domnit.ru/conference/)).

The official languages of the Workshop are Russian and English. The Organizers will provide professional interpretation.

## **REGISTRATION FEE**

Participation in the Workshop is free. The registration fee for the publication in IOP Conference Series: Materials Science and Engineering (MSE), indexed by Web of Science and Scopus, is 150 EURO. The fee is paid after the notice about acceptance of the paper but not later than October 10, 2018.

## **WORKSHOP VENUE**

The Workshop will take place in Krasnoyarsk Science and Technology City Hall. Семинар будет проходить в Красноярском краевом Доме науки и техники Российского Союза НИО.  
The address is: 61, Uritskogo Street, Krasnoyarsk, 660049, Russia.

## **CONTACT DETAILS**

Please forward all the questions concerning the participation and the programme of the Workshop «**Advanced Technologies in Aerospace, Mechanical and Automation Engineering**» (Krasnoyarsk, October 20, 2018) to the executive secretary of the Workshop:

Anna Voroshilova
