XIII International Conference on Transport Infrastructure: Territory Development and Sustainability (TITDS-XIII-2022)

(Irkutsk - Krasnoyarsk, Russia, 26-28 October 2022)

Irkutsk State University of Railway Transport and Krasnoyarsk Science and Technology City Hall with the support of the Government of the Irkutsk Region and the Russian Federal Agency for Rail Transport are organizing XIII International Scientific Conference on Transport Infrastructure: Territory Development and Sustainability (TITDS-XIII-2022). The Conference will take place in Irkutsk and Krasnoyarsk on 26-28 October, 2022.

Admiral Makarov State University of Maritime and Inland Shipping (Saint-Petersburg, Russia), Siberian Transport University (Novosibirsk, Russia), Irkutsk scientific center of the Siberian Branch of the Russian Academy of Sciences (Irkutsk, Russia), East Siberian Railway (Russia), The Ulaanbaatar Railway (Mongolia), East China Jiaotong University (China), Seoul National University of Science and Technology (South Korea), Belarussian State University of Transport (Gomel, Belarus) and Belarussian-Russian University (Mogilev, Belarus) are partner organizations and universities of the Conference.

We invite scientists, specialists and research teams as well as representatives of the enterprises working in the spheres of transport infrastructure development for sustainable development of territories to participate in the Conference.

The purpose of the Conference is to share the experience of leading experts in the application of innovative technologies, mathematical methods and information management systems in transport logistics, technosphere and environmental safety, traffic support systems, transport electric power industry design, construction and operation of railway tracks and artificial structures as well as in legal, historical, socio-cultural and psychological aspects of transport development.

The work of the Conference is planned in the following directions:

- Transport logistics and cooperation of transport market participants
- Technosphere and environmental safety
- Railway transport and Railway management systems
- Information technologies and Big data in transport
- Design, construction and operation of railway tracks and artificial structures
- Transport energy efficiency and power industry

TITDS–XXIII-2022 <https://conf.domnit.ru/en/conferences/titds-2022/>

- Economics and management of transport
- Natural-scientific foundations of modern technologies in transport
- Legal, historical, socio-cultural and psychological aspects of transport development
- Urgent problems of water/maritime transport in the region

The Conference will take place both face-to-face and virtually on 26-28 October 2022 in Irkutsk and in Krasnoyarsk.

All conference papers accepted to the Conference will be presented in one of the formats (face-to-face scientific sessions, virtual sessions in Zoom, pre-recorded video-reports, or E-poster presentations).

One can register for the Conference on-line on the web-site of the Conference (<https://conf.domnit.ru/en/conferences/titds-2022/>). The registration is open till October 10, 2022.

Proceedings of the Conference

The Proceedings of the Conference in the form of full papers in the English language will be published in:

- *Transportation Research Procedia (The Netherlands, Elsevier)*, open access, Scopus (Elsevier) – economic, IT, environmental, logistics, communication, social and humanitarian aspects of the road and transport complex.

The papers should meet the requirements of the Journals (the requirements and the template can be found on the Conference web-site <https://conf.domnit.ru/en/authors-en/trpro/>).

The official languages of the Conference are Russian and English. The Organizers will provide professional interpretation if required.

Conference Venue

The Conference will take place in Irkutsk State University of Railway Transport: 15 Chernyshevskogo Street, Irkutsk, Russia and in Krasnoyarsk Science and Technology City Hall: 61 Uritskogo Street, Krasnoyarsk, Russia.

We will provide the participants with visa support documents (an official letter of invitation). We will be glad to help with accommodation in cozy and hospitable hotels of Irkutsk and Krasnoyarsk at special prices to all participants during the conference by priority arrangement. Accommodation and travel expenses are paid by sending organizations.

Registration Fee

The registration fee for participation is 250 EURO. The fee is paid after the notice about acceptance of the paper but not later than October 20, 2022.

Contact Details

Please forward all the questions concerning the participation and the programme to the executive secretary:

Anna Voroshilova Tel. +7 391 227 84 84, +7 999 318 33 34
